

## **Art Induction Assignment – Sir Frederic Osborn School**

*The first project the Art students will be working on has the theme of 'Journey'. For this I would like them to start a sketchbook (A3). They are expected to document a journey that they take during the holidays – it could be abroad or simply to the local shop. They should:*

*Collect tickets, maps etc*

*Produce sketches and drawings*

*Photographs and if possible video – have these printed out and included in the sketchbook*

*Research two artists whose work they feel is related to the theme*

*This task is all about looking and collecting research and resources that can inform a final piece.*

*This should all fill at least **10 pages** of their A3 sketchbook.*

*The first lesson we have will be a group presentation – where they will be expected to see and explain their work to the rest of the group.*
