

Level 3 BTEC Public Services
Induction Assignment
Unit 1: Government, Policies and the Public Services

The work needs to be printed off and submitted to your teacher

This work will be graded using Ungraded, Pass, Merit and Distinction.

Task: (evidence for grading criterion P2 – word processed document.

Scenario: It is coming up to election time, and due to your past efforts to raise awareness of politically related issues, you have been asked to design and produce a written report to try and help people understand the election process at a national and local level, so they can be sure that they make the right decision when voting for their favourite candidate/party.

Your written report should include:

- The people entitled to stand for election
- The candidate selection process
- The influence of the party system on elections
- The time between elections
- The types of publicity and electioneering activities that might take place
- The voting processes that can be used
- The election day events and activities that take place
- The voting systems used
- The responsibilities of the elected bodies.

Please reference any website that you have used to help you write this detailed report
