

Typographic Portraits

Your Task

What is a Typographic Portrait?

Find examples using the Internet.

How are they created? Watch

YouTube clips to give you a better understanding.

Recreate a variety of different

Typographic Portraits using different media and techniques such as collage, pencil drawing, felt pens, mixed-media, paints, computer designs etc.

Ensure one of them is a self-portrait.

What will your portrait say about you and your interests, personality, hobbies etc?

What technique/media will best suit your self-portrait?

Consider the shape of your text, size, colour, appropriate text etc.

Present your research on A4 pages put together to create a booklet.

When making your booklet, consider how it will be bound.

This task will give you the foundation to be able to explore Typographic Portraits using sophisticated Photoshop techniques.
