

# Induction Assignment

Level 3 BTEC Diploma in Health and Social Care

Induction Lesson 29<sup>th</sup> June 2016 Mrs Cardell

## Unit 1: Human Lifespan Development

The title is to be **“My Family”**

- You need to write a **detailed** account of the **Physical** development of a number of people in your fictional (or real-life) family.
- You should include **at least one** person in each of the life stages listed on your information sheet.
- You need **to explain and discuss all** of the Physical developmental factors that are indicated on the sheet.
- Your report should include **charts, statistics and pictures** (can be real or sourced from the internet or magazines etc).
- It must be written in your **own words** and all research sources must be fully **referenced** – preferably in the text and in a bibliography at the end.
- You may write it in the **first** or **third** person (ie I . . . . or he/she . . . .)
- Suggested formats to make it more interesting: magazine article, autobiography, diary, script for a documentary etc etc.
- To be handed in at the start of the term in **September**.
- This will be assessed according to effort, individuality and accuracy of content as **High, Low or Exceptional quality**.

# ENJOY!
