

BHGS A-Level Maths Induction Assignment 2017

OCR are have produced a 'Bridging the Gap' document – there are lots of examples and exercises to do to make sure you are prepared for the leap from GCSE to AS level.

There are 3 ways of accessing this document:

- 1) W:\shared documents\Mathematics\Induction Assignment 2017
- 2) Google Classroom – join class Year 11 Induction, using code: zd73f0t
- 3) Direct to OCR Website and follow the link: [Bridging the Gap](#)

Please note:

- ▶ YOU DO NOT need to print it
- ▶ YOU DO NOT need to answer all the questions
- ▶ BUT you will have a TEST IN THE SECOND WEEK BACK based on the topics in the booklet
- ▶ The result of the test will be the grade for your assignment so you need to do enough over the summer to do your best!

During the induction I gave out a letter telling you which textbook you will need to purchase and a number of options to upgrade your calculator. I will be putting in a bulk order in September, so warn your parents you may need at least £40. A copy of this letter will be saved in the W:\drive and Google classroom

If you have any questions, please email Mrs Dudley:
