

Sixth Form Induction Assignment

Mathematics

For the Sixth Form induction assignment for entering mathematics at Onslow St. Audrey's during the induction lesson students will be handed a book the CGP book – Head start to A-level Maths.

This is a booklet containing 42 questions on a variety of topics covered in GCSE. These questions need to be completed, the book itself offers help in completing every topic if students feel like they require it.

If you have any questions, please e-mail Mr Bhar on vbhar@onslow.herts.sch.uk
