

PUBLIC SERVICES BTEC LEVEL 3

Examination Board & Courses offered:

Edexcel BTEC Level 3 Subsidiary Diploma in Public Services

What is the course about?

The course has been introduced to equip students with the skills, discipline and knowledge required to make them as employable as possible in a very competitive job market. The Public Services delivery team comprises of highly experienced teaching staff and external providers from professional bodies such as the Police, Red Cross, Ambulance Service, Local Primary Schools and Outdoor Adventure and Leisure Centres. The course is exciting, active and vibrant and will provide students with all the support and guidance they need to become qualified and employed, or where appropriate, for them to succeed in their application to university.

It is designed to range from Level 3 (A'Level equivalent) to Level 2 (GCSE equivalent), so no matter what stage students are at with their education, we offer a clear progression route that will see them realise their potential. All students can expect to study teamwork, leadership, citizenship, numeracy, literacy, understanding diversity and discipline.

How is it assessed?

Assessment is via 100% coursework-based projects and there are no exams.

Where will the Public Services Course take me?

After successful completion of the Public Service course students will feel confident about applying for a vast range of careers. All of the skills learned from leadership, communication, acting on initiative, taking responsibility for themselves and others, coupled with a good standard of literacy and numeracy are directly transferable from the uniformed public services, such as the Fire Brigade, Ambulance Service, Army, Police and the Prison Service, to working in a bank, office or school.

After successfully completing the BTEC Level Three, students would also be equipped to further their education by applying for a degree level course at university.
