# GET AHEAD IN YOUR CAREER

Onslow St Audrey's

You'll spend 80% of your time in the classroom and 20% on a minimum of 45-day placement with an employer to give you the skills and knowledge companies look for. Education and childcare is more.

Your industry placement gives you the chance to learn what a real career is like while you continue your studies. When and how you complete it depends on the T Level, school or college, and employer.
